REMINISCENCES OF OUR PIONEER DAYS

Gleanings From the Records Left By Men Who Laid the Foundation of Our County.

At the annual meeting of the members of St. Peters Episcopal church on Easter Monday, 1880, the following were elected as the vestrymen for the year: James Crowe, Henry W. Seals, B. F. Cooper, T. M. Cook, Chas. N. Felton, Henry Horton, George W. Green, N. B. Colt, Dr. George Bradbury, H. D. Lamont and Geo. C. Ross. The report showed the parish to be entirely out of debt and in a very prosperous condition. The parish, however, was without a rector because of inability to secure a satisfactory supply and one of the first duties of the new Vestry was to provide for a temporary supply until a suitable rector could be found.

Here is a little item found in the columns of the Times and Gazette of April 3d, 1880, that would seem to indicate that a bent for life on the ocean was not anunusual trait among the younger set of Redwood City in the days when the town boasted of being a sea port: "John F. Ford, one of the best known young men of this village has just concluded an engagement to accompany a hunting expedition after sea otter. The vessel is expected to sail from San Francisco in a few days, and will cruise up the Alaskan coast, cross the coast of Asia and probably fetch up at Yokohama. Young Ford has had some experience in this business and finds it attractive and profitable."

As the time for the annual municipal election for the year 1880 drew near it easily became apparent that there was to be a very strong contest for the offices. Not that party lines were being drawn, for the people of the town had never allowed politics to enter their local affairs, but there developed a strong factional difference, as usual headed by individual ambitions and bickerings. The contest for control of the offices of the town opened two weeks before the election with a mass meeting for a portion of the community styling themselves the Citizens Party, held at Germaniao hall. This meeting was presided over by D. L. Sampson and T. M. Cook acted as secretary. After considerable discussion the convention decided to name a committee of seven of their number and to leave the selection of their ticket to them. This committee was composed of Albert Hanson, James Hannon, D. F. Hawkes, Geo. H. Rice. G. L. Sampson, James Hilton and G. W. Fox. This committee selected the following ticket within a few days: For trustee, A. Teague; clerk, S. L. Leahy; marshal, J. W. Glennan; treasurer, L. Jacobson; assessor, M. Walsh; street superintendent, P. Early; police justice, W. J. Tisdale. The second party, which was apparently headed by City Marshal Harry Grimmenstein, during the same week, and which styled itself the Tax Payers Party, named in opposition to this ticket the following candidates: For trustee, C. Livingston; clerk, F. N. Felt; marshal, Harry Grimmenstein; treasure, Claus Hadler; assessor, J. M. Allen; street superintendent Matt Hedge; police judge, R. C. Welch. The campaign which followed was a lively one and in many cases extremely personal in the method of its conduct, and as a result a large vote was brought out at the election, no less than 249 ballots being cast. The result was decidedly mixed, about half of the officers going to each party, the majority in each case being rather small, in the case ofthestreetsuperintendent being but two. Teague, of the citizens was elected trustee by a majority of 31, while Grimmenstein of the tax payers beat Glennan for marshal by the close margin of five votes. Walsh was elected assessor and Jacobson treasurer.

The census of 1880, the unofficial figures of which made public in July of that year, indicated that the past ten years had found aconsiderable increase in the population of the county. As shown by the report of the enumerators the population of the county by townships was as follows: First township, 1,510; second township, 1,134; third township, 3,149; fourth township, 1,758; fifth township, 1,113; total 8,664. As the census of 1870 showed a total of 6,653, this indicated a gain of 2,011. The report of the population contained within the corporate limits of the town of Redwood City was given at 1,365, an increase of 729 for the ten years.

MAY BUILD BOULEVARD FROM CITY TO SAN JOSE

An active and aggressive campaign to secure the early construction of a State boulevard between San Francisco and San Jose has been begun by the Automobile Club of California. Letters are being sent out to practically every automobile owner of the State who is not already a member of the club, asking him to join the organization and lend his influence toward the end in view. Speaking of the plans of the club, which were mapped out at a recent meeting of its officers, Secretary Leslie E. Burke of San Francisco said:

"It is proposed to co-operate with the State Highway Commission in the expenditure of the $18,000,000 recently voted for State highways, and to use the combined strength of the automobilists of the State in bettering road conditions where good roads are most needed.

"San Francisco, the largest city of the Pacific Coast, has at the present time no adequate highway of ingress or egress. San Francisco, San Mateo and Santa Clara counties are called upon to bear a very large portion of the bonded indebtedness voted for this purpose. It was the sense of the meeting that the highway between San Francisco and San Jose should be the first to be constructed under the new system.

"The club proposes to raise a fund for the purpose of pushing forward this work."

JULIUS EIKERENKOTTER SUFFERS BROKEN LEG.

Julius C. Eikerenkotter, former supervisor and well-known businessman, suffered a broken leg Monday evening the result of being struck by an electric car. The accident happened at the Twelve-mile House, near Holy Cross cemetery. Eikerenkotter had just alighted from a car, on which he had returned from San Francisco, and passed behind it to go to his home when he was struck by a car coming from the south and was hurled from the track, the fall breaking the bones of his right leg below the knee.

The injured man was placed on board a car and hurried to the Red Cross hospital at San Mateo. While suffering from shock and numerous cuts, besides his injured limb, the doctors state that his injuries are not serious.

Jap Tariff Hits Local Industry.

For a month past the big leather establishment of S. H. Frank & Co. in this city has been working overtime preparing large quantities of leather for shipment to Japan.

Henry Steinberger, the superintendent, when questioned on the subject, stated that his company was rushing shipments to the Orient ahead of the new tariff schedule of Japan which goes into effect July 1st. After that date a tax will be levied on leather of 5 cents per pound.

"This tax is practically prohibitive," said Mr. Steinberger, "but the Japanese government wants to see its people manufacture their own necessaries of life, and has taken such action as to bar out foreign leather, among other commodities."

The Frank Tanning Compny has for years enjoyed a large trade with Japan, its leather being considered the best in the market.

Farce By Senior Class.

The senior class of Sequoia will present the three-act farce, "A Scrap of Paper," at the Alhambra on the 18th instant. The plot of the play centers around a scrap of paper—a love-letter—which is always falling into the hands of the wrong person, causing many humorous complications. In the end everything is straightened out and all concludes happily. Seats for the play are on sale at Ryan's drug store.

Contractors Organize

Articles if incorporation of the General Contractors' Association, which is said to include contractors of this county, San Francisco and Alameda county, were filed in San Francisco this week. The association is capitalized at $125,000.

Died—At the county farm, April 4th, Angelo Arata, a native of Italy, aged 50 years. Deceased has relatives in San Francisco.

CITY OFFICIAL PAPER

D. E. O'KEEFE, Editor and Proprietor

Why not push along those improvement clubs? Now is the time to get cleaner streets and brighter home surroundings at the least possible cost.

Clifford J. Owen, for many years buisness manager of the San Jose Mercury, and later of the Portland, Or., Evening Telegram, is now located at Fresno, where he is manager of the business of the Herald. Mr. Owen is recognized as one of best newspaper men on the Pacific Coast and under his direction the affairs of the Herald should prosper. The buisness men of Fresno are to be congratulated on this acquisation to their number as Mr. Owen is known as a presistant worker for any locality with which he becomes identified.

Out of the list of thirty-four important chairmanships of commitees in the new House of Representatives it is notable that no less than twenty-eight go to Southern States and but six to Democrats elected from states outside of the former slave territory. Possibly this may accord with the place held by the South in the Democratic party, but it is certainly a misfit considering the country and its needs as a whole. Evidently Southern Democrats having furnished the most of the votes of the party for so long a period intend to assert themselves in like degree in the rest of the business of the House.

CLEAR THE OBSTRUCTION

It is to be hoped that the members of the City Council will not recede from their announced determination to permit of no further delay in the completion of the work of the extension of Phelps street. The people of the city voted to incur a bonded indebtedness for the purpose of opening this important thoroughfare through the center of the city because they were convinced that the progress of the city demanded the additional means of traffic at this time.

No single individual should be allowed to stand in the way of a matter of so much public importance under any circumstances. Especially in this the case when it becomes evident that the attempt results from a desire to mulct the tax payers. The sum offered by the council for the property in question is quite as much as it is worth for any conceivable purpose, in fact is more than liberal.

While as a general rule it is wise to avoid legal tangles, there comes a time when resort to the courts seems unavoidable, and in the present case that time seems to have arrived. Unless the offer made by the Council is accepted without further dalliance condemnation proceedings should be commenced and pushed as rapidly as possible.

CAPITALISTS INCORPROATE WATER-FRONT RAILROAD.

Articles of incorporation of the Redwood City water front railway company were filed with the county clerk Monday.

The corporation, which has a capital stock of $125,000, is formed to conduct, purchase and lease railroads and operate and maintain them. Also to purchase and lease franchises.

The principal place of business is Redwood City and the term of the corporation is 50 years. The directors are Geo. A. Merrill, Geo. W. Lovie, V. V. Greco, W. J. Drew and C. F. Morrison, each of whom has subscribbed $1000.

The company proposes to operate a branch railroad from this city to the bayshore, and possibly running westto Woodside. The road on the marsh will be completed as soon as possible after which it is announced that the establishment of factories at deep water will commence.

Mayor George A. Merrill is president of the corporation and E. Schnutenhaus has been elected treasurer.

Death of Prominent Napa Man.

James T. Burns, a valued citizen of Napa, and uncle of County Clerk J. H. Nash, passedaway last Thursdayevening. Deceased was 56 years of age and was a native of Minnesota. He came to California in 1863, and resided in San Francisco for thirty years. He was employed as Commercile Editor on the San Francisco Chronical for many years, and later in a similar position on the Sun. On goming to Napa eighteen years ago, he was engaged in the trade of contracting carpenter, and later had the contract for the mail route between Napa and Atlas.

He was a man of ability and always did with his might what his hand found to do. He was upright, honest and of unquestioned integrity and proved true to every trust confided to him.

There are left to mourn his loss the widow, two daughters and a son Margaret, Alverda and Bertram Burns, several nephues and nieces, one of the nepheios being County Clerk Joseph H. Nash of Redwood City, and three sisters, Mrs. J. C. Nash, and Mrs. Thos. Fitzgerald of San Mateo, and Mrs. Charles Stewart, of Corte Madera.

Mrs. G. Einstein spent last week in San Francisco in attendance upon her father, Mr. H. Rosenbaum, who is alarmingly ill.

OAK AVENUE PEOPLE SHOW PUBLIC SPIRIT

Are Making Preparations for Street Improvements by Private Contract.

Property owners on Oak avenue are going to have improvements, even if they find it necessary to have the work done without the aid of the city authorities. This was the sentiment announced by Manuel Soto, one of their representatives, when he appeared before the meeting of the city council Monday evening for the purpose of voicing the complaints of himself and neighbors against a number of the existing conditions. As a starter Mr. Soto called the attention of the trustees to the condition of a small creek which of late has been annually flooding the property bordering upon that street owing to its obstructed condition and urged that the creek be widened and the obstructions removed. In this request he was backed by a petition signed by a number of the suffering property owners. Members of the council did not deny the need of this work, but expressed some doubt as to their authority as the improvement would necessitate the taking of private property. They, however volunteered to give the complaint attention and directed City Attorney Mansfield to look up the law on the subject. With this out of the way Mr. Soto went into the street improving question, incidentally showing that Oak avenue at this time is practically impassable in winter or summer—first because of the mud and later becauseof the excessive bumps left by the winter floods. While the improvement was a necessity, the owners of the property failed to see justice in the demand that they should be compelled to guarantee the preliminary expenses in order that they might secure the benefits of the local improvement laws in the matter of payments, and he announced that rather than do this they would have the work done by private contract. In fact he assured the council that if the muddle as to street lines due to reservations of small strips in the platting of streets were removed plans for the work would soon be started. Chairman Merrill informed Mr. Soto that this trouble had already been practically settled and that the council would do all in its power to secure a certain and speedy solution of the difficulty, and at the same time took occasion to compliment Mr. Soto and his neighbors on the public spirit which they had manifested in their endeavors for better streets.

Street Superintendent Dickey was instructed to repair the damaged bridge on Redwood avenue and to repair the roadway of Roosevelt avenue where damage had been done by recent storms.

Trustee Hynding was appointed to represent the council as a delegate to the recently proposed San Mateo County Board of Development, in answer to a request from the committee. When the appointment of a delegate was made a statement was offered by Mr. Lovie that it was the design ofthe Development Board to raise $500 per month for advertising and publicity purposes, and this brought forth the announcement from Mr. Hynding that he was not inclined to favor much of a contribution from this city as be believed that the north end of the county was to reap the benefit and that owners of big tracts and speculators who were to reap the profit should bear the expense.

At the suggestion of Chairman Merrill, an effort is to be made to eliminate the mosquito pest. The board of health was requested to investigate with a view to devising some effective campaign. In the interim the first move is to be made by the street superintendent, who was instructed to hunt up the stagnantpools and give them a coating of crude oil.

Engineer Bruno Heyman was ininstructed to prepare revised plans for the storm sewer system on the County road.

Unless a settlement is reached within the next week, condemnation proceedings will be commenced next week to clear the last obstacle to the work on Phelps street extension. All of the property has been secured with the exception of a small lot of insignificant value belonging to Mr. Lasswell, a nonresident who seems to show a disposition to attempt to holdup the city. He has been offered a good price for the property and unless the deed is filed this week resort will be made to the courts to end the delay.

At the suggestion of Fire Chief Winter a number of small articles needed for the fire department were ordered purchased.

In order that there might be no question of authority of Charles Lorton, the nightwatchman employed by the merchants of the city, to make arrests and act as a police officer, an appointment of that officer as a deputy was filed by Marshal Coleman and approved by the council.

An adjournment was taken until next Monday evening at 8 o'clock, when the hearing on the proposed street work in district No. 15 will be the special order of business.

Robert Scouler, a prominent manufacturer of Campaign, Illinois, is here on a visit to his sister, Mrs. J. Mecredy. Mr. Scouler is much impressed with the climate of Redwood and after a tour of the west may decide to locate here.

Redwood City and the whole of the valley experienced an old fashioned thunder storm Saturday morning. For half an hour the thunder pealed and lightning flashed, causing considerable anxiety among the timid.

The following liquor dealers whose applications were read at the first meeting in March were granted licenses:

First township—Frank Knowles, Hillcrest; Oliver H. Graves, Colma; C. McAuliffe, Colma; W. C. Smith, San Bruno; Anderson & Lund, Visitacion; J. M. Custodio, San Bruno; Jas. Murray, Colma; John Mori, San Pedro; Fahy Bros., Vista Grande.

Second township—C. P. Hawke, Belmont.

Third township—A. V. Kieffer, La Honda,

The applications of F. A. Smack and Geo. K. Pappis were rejected on motion of Casey, seconded by Blackburn, the applicants being residents of the newly-incorporated Daly City

The application of Geo. M. Collopy for a liquor license at Colma was rejected on motion of Casey, seconded by Brown, on the ground that Collopy's premises were occupied as a hospital.

Charles Cofori petioned the board to be appointed poundmaster of the Third township and same was referred to McEvoy to report at the next meeting.

The application of E. Pescaro for a permit to peddle dry goods in the first township was denied.

P. M. Olessi was granted permission to peddle fruit and vegetables in the Fourth township.

A communication from M. H. Doyle was ordered filed.

A communication was received from E. I. Woodman, secretary of the County Development Association asking the board to send one of its members as a delegate to the next meeting at Burlingame and to serve on the board of governors of the association.

Brown was named as delegate by Casey which nomination was seconded by Francis and carried. Brown believed the whole board should attend and assist in the work of promoting the county. Later the county would be asked to lend financial aid to the movement and he believed it would be money well spent.

District Attorney Swart presented ordinance No. 240, regarding the bringing of garbage into the county. Same was adopted.

P. E. Lamb and Ferguson Owen of Burlingame presented a joint petition, signed by 873 citizens of the Second township, asking the appointment of Lamb and Owen as justice of the peace and constable respectively of that township.

Both men were sworn and testified that they had personally witnessed the signatures of the greater number of the petitioners. The remainder were witnessed by other citizens. Lamb was appointed Justice of the Jeace and Owen Constable. C. M. Morse protested against the appointments.

The superintendent of the county farm was permitted to board Mrs. Warburton for $20 a month. She is a teacher at Laguna school. The health officer, Dr. Beattie was given permission to have a phone put in his office at the expense of the county.

Brown notified the board that Mr. Glass, one of the county's indigents at San Mateo,had died. His daughter, who had also been receiving aid from the county, was now able to earn her own living. He moved that the assistance that had been extended to both be discontinued. His motion was seconded by Blackburn and carried.

John F. Davis, the attorney for the City of Burlingame stated that the territory included in the Easton Lighting district having been annexed by Burlingame it would be advantageous to have the funds of the lighting district also transferred to the city. He had made several efforts to bring about this change but could not secure the consent of the Pacific Gas and Electric Company which had a contract with the county to light the district.

On motion of Brown, seconded by Casey, the district attorney was directed to co-operate with Mr. Davis in the matter.

Mrs. Julia McLean, an indigent person of the third township, was allowed aid in the sum of $8 per month.

The motorcycle patrolmen were ordered paid from the salary fund. Francis voted no on the motion, maintaining that they should be plad from the road fund of the county.

Brown moved that the patrolmen be furnished motorcycles and receive $5 perday and expenses and a reward of $5 for each arrest. Seconded by Casey and carried.

M. F. Brown, the patrolman of the Second district, suggested that a jail sentence be prescribed for repeated offenses, which suggestion was approved and the district attorney was directed to prepare an amendment to the ordinance accordingly.

Dr. W. G. Beattie was re-appointed health officer of the county.

On motion of Casey, seconded by Brown, the call for bids for bridges in the First and Third townships was amended to the effect that funds for the payment of the contract would not be available until December 10, 1911.

Casey was permitted to employ the surveyor to prepare plans for three bridges in his district.

District Attorney Swart stated that the alley at Belmont, the closing of which had been complained of by P. L. Archibald, was a public street. He had also discovered that another street in Belmont was being occupied by a barn; that a street at Colma was the site of a cemetery and that in the Fifth township some of the highways were being made use of for agricultural purposes.

Brown informed the board that at the time of the formation of Hillsborough City that corporation had obligated itself to pay to the Second road district, for a period of eight years, $7000 per year. The first year had passed and but $2000 had been received. He moved and it was seconded by McEvoy and ordered that the clerk make a demand on the Hillsborough authorities for the balance due of $5000.

Ordinance No. 241, amending the automobile ordinance was adopted.

A communication from H. C. Finkler thanking the board for road and bridge repairs made on the Whipple road in the Second township. Supervisor Brown was particularly commended for his prompt attention.

A SCRAP OF PAPER IN THE HIGH SCHOOL.

For many years it has been the custom of the senior class of Sequoia Union High School to give a play a shorttime before graduation The illustrious class of 1911 intends not only to keep this time honored custom, but also purposes to give the public one of the best amateur performances ever produced in Redwood City. After a long and careful examination of many splendid plays the choice was given to a comic drama in three acts, "A Scrap of Paper," written by J. Palgrave Simpson. The name in itself seems harmless enough but if one but knew the inscription upon it he would no longer wonder at the involved plot of the story and the distressing, yet very funny situations resulting. This delightful farce will be produced in the Alhambra theatre on the evening of April 18, 1911. We want you to come and enjoy a real treat. Tickets are now on sale.

Default Set Aside.

Judge Buck yesterday set aside the default judgment in the case of Norman D. Cook against Robert S. Chatham. The case is the outgrowth of a suit began some time ago by Loren Coburn aginst one of his tenants. A receiver was appointed by the sheriff to take charge of some grain and he filed a claim for $1700 for his cservices. A default judgment was secured during the heat of the last campaign when Chatham's attorney, J. J. Bullock was unable to attend to the case when it came up.

LOCAL FISHERMEN FIND SOME INTERESTING SPORT

Streams of San Mateo County Yield Many Speckled Beauties.

The trout season opened last Saturday under the most auspicious circumstances and hundreds of the disciples of Isaac Walton sallied forth laden with the most elaborate tackle and alluring bait to entice the speckled beauties from the waters of the famous streams abandoning within our county. Nearly all of the anglers met with success, although the recent heavy storm had left the water in the creeks too high for the best fishing. One fact was demonstrated to the satisfaction of every fair minded wielder of the rod and line and that is that the season opens too early. Hundreds of fish under the legal size of five inches were caught and thrown back, a great number of which after being hooked only survive for a short time. Had the season opened a month later all these fish would have matured and been considerably over the legal size.

The Purissima Creek, the paradise of the angler, was visited by about sixty enthusiasts, who all fared well, among them being Drs. Miller and Ross and Chas, Brighton of San Francisco, Fred Doak, Albert Mansfield, G. M. Brann, H F. Butts, J.A. Genochio and Fred Crosby of this place, who each brought home the limit. To Mr. Crosby belongs the honors of the day, he having landed a fourteen-inch beauty after a half hours fight, which alone paid Fred well for his trip over. Guy P. Hull, Carl Muller and B.L. Werder whipped the upper waters of the San Gregorio above La Honda and succeeded in landing 30, oneof which, captured off the back porch of Kieffer's resort, measured 1 inches. Seymour Eikerenkotter, with the assistance of his father, hooked 23 above Josselyn's in the Woodside creek, while "Pansy" Glennan drew 14 from the Higgins creek, after having been lost in the fog on the summit and wandering aimlessly until nearly noon. P. P. Chamberlain and Lon Cook each secured the limit "over three," as the latter says, and J. F. Johnston, in company with A. D. Walsh returned with 40 from the San Francisquito. Bob Chatham and George Kreiss had the cream of sport on the Waddell creek, both getting the limit, coupled with a bad cold, accasioned by the latter pulling Bob into a deep pool withhimself while trying to land a 12 pound salmon.

There will be four complete changes of program at the Bell Theatre next week.

Liquor Ordinance Sustained

Judge Buck has rendered an opinion in the case of the People of the state against G. Cassaretto in which he affirms the decision of the Recorder's court. Casaretto was arrested in Nov. 1909 for violating the town ordinance of Redwood City in selling liquor without a license. A jury in Recorder Hannon'scourt found him guilty and he was sentenced to pay a fine of $150. Defendant appealed to the Superior Court. The attorneys for defendant attacked the validity of the ordinance but Judge Buck held that it was regularly adopted by the town council. He upheld the lower court's instructions to the jury but found those prepared by the attorneys to be conflicting.

FATHER AND DAUGHTER INJURED IN RUNAWAY.

Vincent Andrade, who farms the Kirkpatrick ranch near La Honda, narrowly escaped serious injury yesterday afternoon. Accompanied by his little daughter, Myrtle, aged three years, he drove into town and near the courthouse his horse took fright at some paper on the side of the street and ran down Broadway. The buggy struck the curbing in front of the high school. Both occupants were thrown out. The little girl sustained slight injuries but her father suffered lacerations of his head. They were taken to Dr. J. L. Ross' office and it was some time before Andrade was able to explain the accident. The horse ran down the street and collided with James L. Flood's automobile that was standing in front of Dr. Stuttmeister's office. The machine was not badly injured zbut the buggy was completely demolished.

Assessor's Instructions

To Owners of Real Estate and Personal Property.

The law requires eacir and every person who ownes any class of property to annually, during the months of March, April or May, file a statement with the Assessor or his deputy in the county where his property is located. You should give a statement of all property owned by you on the first Monday in March at 12 o'clock m.

If you hold mortgages against others send in a mortgage statement showing amount due on each mortgage on the first Monday in March ot 12 o'clock m.

No change can be made by the Assessor after he turns over his books to the Board of Supervisors on the first Monday in July. The Board then sets as a Board of Equalization during the month of July.

Remember, if you fail to give in your assessment you fail to comply with the law and may cause yourself, the Assessor and Tax Collector much trouble, and very likely cause yourself expense.

It is much more satisfactory to the Assessor as well as to yourself, to have your assessment correct when you go to pay your taxes.

In the Matter of the Estate of Jane Emiline Stafford, also known as Emiline J. Stafford, deceased. No. 1442.

Order to show cause why administrator should not be granted leave to sell estate of said deceased.

Thomas Stafford, the administrator of the estate of Jane Emiline Stafford, also known as Emeline J. Stafford, deceased, having presented to the court in the above entitled matter his varified petition praying said court for an order of sale of all of the estate of said decedent both real and personal, and it appearing to the court from such petition that it is necessary and that it will be for the benefit and best interest of the estate and those interested therein to sell the whole, or some portion of the estate to pay the debts of said estate and the expenses and charges of the administration thereof, and that it is for the advantage, benefit and best interest of said estate to all sell of the property thereof, and for the purposes and reasons mentioned and set forth in said pteition, to which reference is hereby made and the same made a part thereof for further particulars.

Now Therefore, it is ordered that said petition be filed and that all persons interested in said estate appear before this court at the court-room thereof, at the courthouse in Redwood City, county of San Mateo, state of California, on Thursday the 27th day of April, 1911, at the hour of ten o'clock a. m. to show cause, if any they have, why the prayer of said petition should not be granted an order made granting to said administrator the right to sell so much of the estate of said decedent as shall be necessary and for advantage, benefit and best interest of said estate and those interested therein, at either public or private sale; and that a copy of this order be published for at least four successive weeks before said day of hearing in the Times-Gazette, a newspaper of general circulation published in said county of San Mateo, State of California.

Done in open court this 23rd day of March, 1911.

IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to Redwood City Homes.

Hard to do housework with an aching back.
Brings you hours of misery at leisure or at work.
If women only knew the cause—that
Backache pains come from sick kidneys.
Would save much needless woe.
Doan's Kidney Pills help sick kiandys.
Redwood City people endorse this:

Mrs. J. G. Bridgewater, Beech St., Redwood City, Calif., says: "I gladly confirm all I said in praise of Doan's Kidney Pills when I publicly recommended them over two years ago. I still feel safe in saying that this remedy is the best one to be had for backache and other kidney disorders. My supply of Doan's Kidney Pills was procured at P. A Byan's Drug Store and so thoroughly was their merit proved that I have considered it a pleasure, as well as a duty, to advise their use whenever an opportunity has occurred since then."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

WITH AN INSURANCE POLICY IN HAND

you will not be worried to death every time the engine turns out. They won't mean such a possibility of ruin to you. The freedon from worry is alone worth the cost of the insurance. Have us get you out a policy today and even if you never have a fire, the sense of protection will be worth more than the cost of the policy.

To Please the Palate

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. With prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, lamb, ham, poultry and game, to give your table
